RE: ENVIRONMENTAL REVIEW
CITY OF THIBODAUX – LCDBG-CV HVAC

Dear Ms Sanders:

As part of the environmental review process, the City of Thibodaux will require a written determination from your office regarding any impact the project listed below may have on Historical Properties. We have provided a map of the location of the project which shows no historic properties are on site.

PUBLIC FACILITIES & IMPROVEMENT :

Ethel Knoblock Senior Citizens Building: HVAC IMPROVEMENTS:

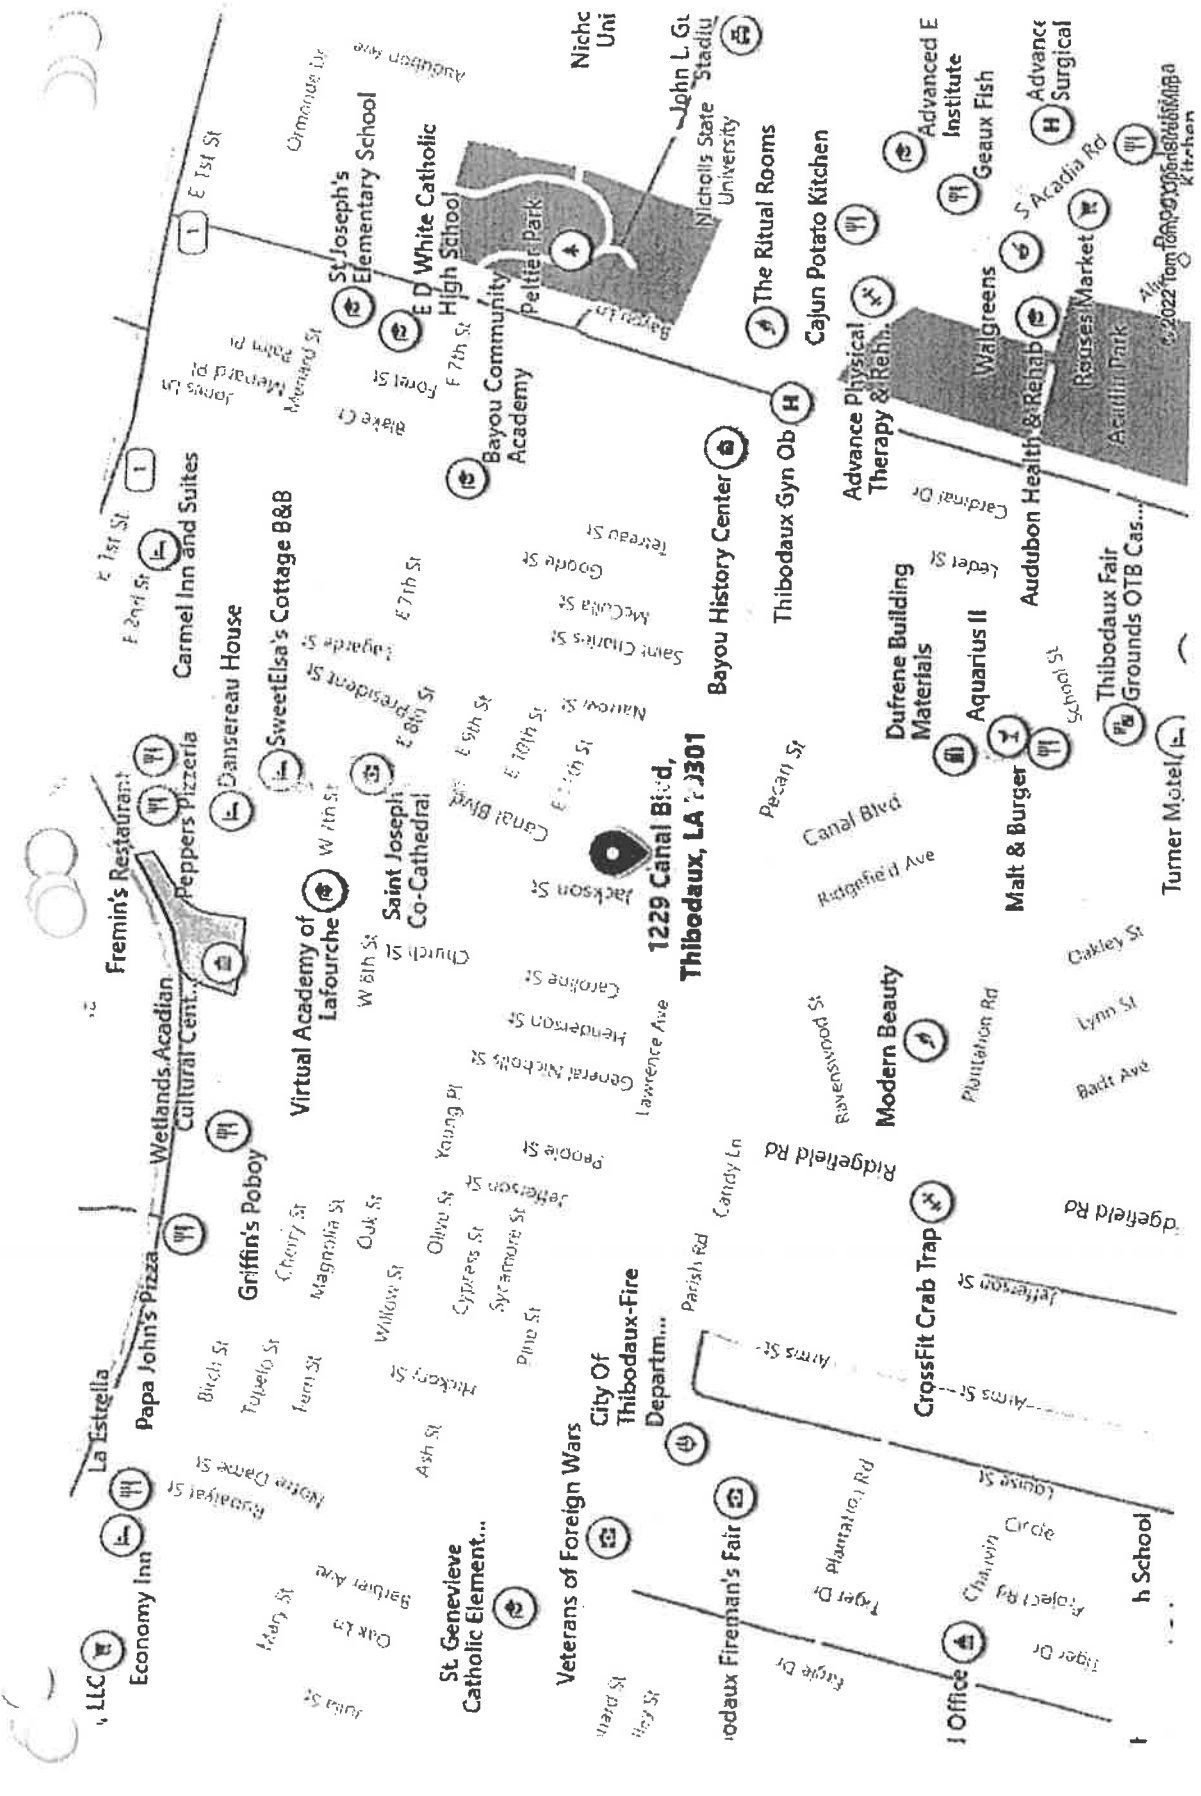

Public facility improvements will be made to the existing building located at 1229 Canal Blvd, Thibodaux, LA 70301, including but not limited to: Upgrades and renovations to the HVAC system in order to improve air quality and minimize the spread of airborne infectious disease. This grant is a response effort to prevent, prepare for and respond to the COVID 19 pandemic in building that have an clientele benefit (Elderly)

Please review the information provided and submit a reply as soon as possible.

Sincerely,

Janice Landry

Subject: RE: Environmental review request

I am following up on my request sent in on February 7, 2022. We are conducting an environmental review in order to perform HVAC improvements to an existing building in the City of Thibodaux. Because the project will receive CDBG Funds, I am required to get a letter of compliance with SHPO. If you require any further info, please do not hesitate to contact.

This serves as your notice that the SHPO received your submission. The National Historic Preservation Act allows the SHPO 30 days, from date of receipt, to process and respond to your request. Any submission received on a State holiday or after 5:00 pm Monday – Friday will be considered received the following business day.

We are no longer able to offer expedited reviews unless a previous legal agreement is in place and please allow two weeks from submission before project status inquiries are made. Thank you for your cooperation.

For inquiries on project status call (225) 342-8170 and ask for Section 106 staff.
