Environmental Review

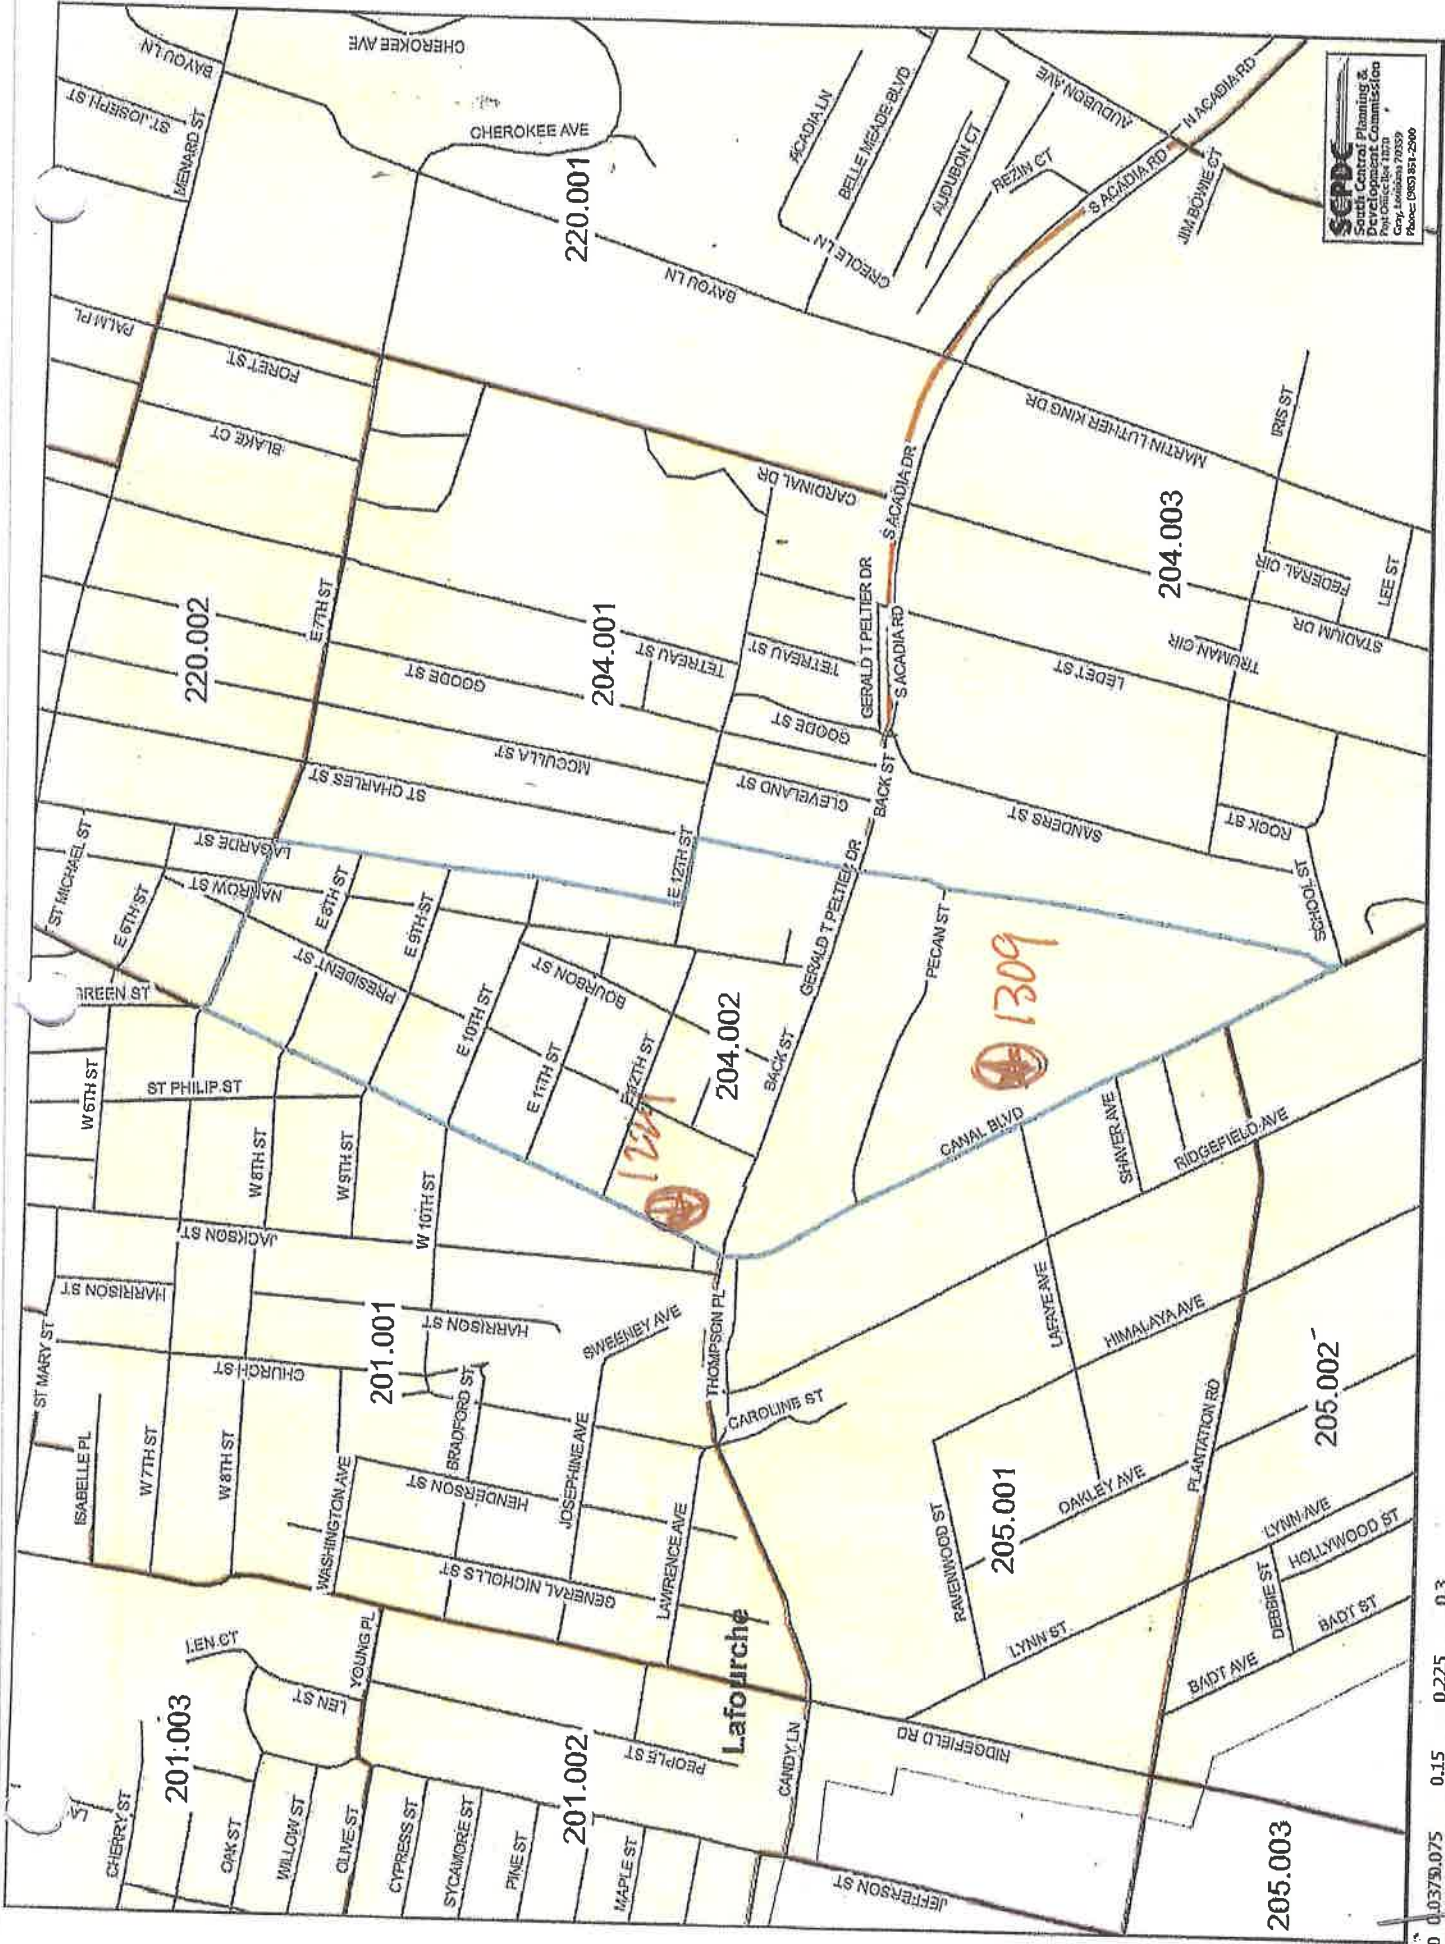

14 Environmental Justice

8/8/2022 - Environmental Justice Map included that was part of the initial application. 56% of the census tract was low to moderate income individuals. 100 Percent of the benefit will be a targeted population of Elderly. Individuals participating in the survey to determine usage of the Senior Center indicated that 31.1 % Black participants and 68.9 % of White participants were attending Senior Citizen Programs. Changes in Air Quality could attract more Minorities to return to the Senior Center.
