

City of Thibodaux Help your Neighbor

In an effort to assist those who have made Thibodaux what it is today, the City of Thibodaux has established the ***Help Your Neighbor*** Customer Assistance Program. The program is design to assist senior citizens and disabled residents in the City of Thibodaux that cannot afford to pay their city utility bills. With the help of generous individuals like you, we can help our neighbor and make a difference in the lives of those in need in our community.

Through your generous contribution, the funds you donate to the program will be distributed by the Lafourche Council on Aging where 100 percent of the funds will provide direct assistance to those in need. Eligible senior citizens or disabled/handicapped persons who qualify under certain income guidelines may apply to receive up two (2) two payments of \$50.00 each per year for utility payments.

For your convenience, there are (3) three simple ways you can give a gift to help those in need:

1. By making an annual donation to the ***Help Your Neighbor*** Program.
2. By authoring the City of Thibodaux to automatically add \$1.00 or more to your monthly utility bill.
3. By adding a donation to your monthly utility payment on a voluntary basis.

Many of our elderly and disabled neighbors need our help. I ask that you please join with me in making a commitment to Help Your Neighbor by filling out the enclosed form and return to the City of Thibodaux Finance Department. Your generous contribution will greatly affect the lives of senior citizens and disabled persons in our great city.
