FOR IMMEDIATE RELEASE: April 29, 2010

Fair Safety Tips

The Thibodaux Firemen's Fair is this weekend which means there will be a lot of great food, music, and fun for everyone. The Thibodaux Police Department would like to offer a few safety tips to help ensure everyone has a great time:

1. Parents should use good judgment when deciding which rides they allow their children to ride.
2. Obey height, age, and weight restrictions.
3. Don't put children on rides they are afraid of.
4. Always use the safety equipment available on the ride.
5. Teach small children what to do if they get separated from you. Make sure children know their parents or guardians first and last names, telephone numbers and addresses. Children should be taught to approach a policeman in the event they are lost.
6. Park in an approved area. Illegally parked vehicles are subject to being towed at the owners' expense.
7. Lock your vehicles. Keep items such as cell phones, purses, or mp3 players out of plain view.

The Thibodaux Police Department will have a substation located near the southwest corner of the fairgrounds. The substation will be complete with a dispatcher and support personnel available to assist patrons. Officers patrolling the fairgrounds on foot, four wheelers, and golf carts will also be available.

****** Remember you can contact the Thibodaux Police Department at (985) 446-5021 to report any suspicious person(s) or activity while remaining anonymous******
