"People First"

Senior Mayor for the Day Mr. Prudent Fauchaux, Jr. June 15, 2010

Except during the time he served our country, "Mayor" Fauchaux has lived in Thibodaux all his life. He was married for forty-five years to the late Verna Hebert Fauchaux and is currently married to Gail Lipari Fauchaux. He has six children and five grandchildren.

"Mayor" Fauchaux began working for the Post Office in 1949. He became Postmaster in 1975 and remained Postmaster until he retired in 1983.

"Mayor" Fauchaux stays informed by reading the Times Picayune, AARP Bulletin, Postmaster's Gazette, American Legion Magazine, and Reader's Digest. He is a huge football fan and a member of the American Legion.

During his service to our country, "Mayor" Fauchaux lived on the Island of Oahu and would love to one day return to Hawaii for a vacation.

While serving as Senior Mayor for the Day, "Mayor" Fauchaux shared so many interesting stories with the administration and we were educated and entertained by his quick wit and knowledge of Thibodaux!

Thank You, "Mayor" Fauchaux. You served the City well!
