Dear Luci,

Project Spotlight

Upcoming Project

There will soon be a Pedestrian Crossing at the Canal Blvd. Bridge. The pedestrian crossing project will consist of adding a 5 foot cantilevered walkway on the north side of the Canal Bridge crossing Bayou Lafourche. It will also include safety improvements such as new guard railings

and lighting on the bridge. The new railings and lighting will complement the historic City of Thibodaux landscape.

"Smart growth development is good for Thibodaux and what I hope to continue within the city,"

~Mayor Charles Caillouet
