Click It Or Ticket Wave Scheduled For Two Week Slot

Thibodaux Chief of Police Bryan Zeringue announced that by utilizing a Louisiana Highway Safety Grant, the Thibodaux Police Department will be participating in a "Click It or Ticket" wave within the City Limits of Thibodaux beginning Monday, May 20th, and lasting until Sunday, June 2nd.

Thibodaux Police Officers, who are not scheduled to work normal duty, will be assigned to this wave at various times of the day during the wave.

According to the National Highway Traffic Safety Administration (NHTSA), 48%, of passenger vehicle occupants that were killed in 2016, were not unrestrained. So what can we do? **Buckle Up!** You can reduce chances of a fatal injury while riding in the front seat by 45% by just wearing your seatbelt.

Chief Zeringue and all of us at the Thibodaux Police Department would like to thank all of our community partners for helping spread the word about the importance of wearing a seatbelt.
