***Re: Annexation Request – City of Thibodaux  
Portion of the right-of-way of Louisiana Highway 20***

Dear Ms. Morvant:

The Department of Transportation and Development Legal Division is in receipt of the documents requesting permission to annex a portion of the right-of-way of Louisiana Highway 20 (i.e. North Canal Boulevard) into the City of Thibodaux.

In accordance with LSA-R.S. 33:180, please consider this as the Department’s “Letter of No Objection” to the City of Thibodaux’s request. The annexation will include the right-of-way including the pavement from the existing city limits to the northwest corner of Parcel 3, owned by J.B. Levert Land Company and the right-of-way excluding the pavement (i.e., the unpaved portion) from the northwest corner of Parcel 3, to the northeast corner of Parcel 1, also owned by J.B. Levert Land Company, consisting of approximately 14 acres, more or less of Louisiana Highway 20.

The responsibility for traffic law enforcement will transfer from the Louisiana State Police and the Lafourche Parish Sheriff’s Office to the City of Thibodaux Police Department for the portion of the right-of-way annexation that includes the pavement, but will remain with the Louisiana State Police and the Lafourche Parish Sheriff’s Office for the portion of the right-of-way annexation that excludes the pavement.

Please note that any signing or work performed by the City of Thibodaux within the limits of the annexed right-of-way (for both the portion that includes the pavement and the portion that excludes the pavement) shall be subject to the prior approval of the Department and shall require all appropriate permits.
