To Whom It May Concern:

Enclosed please find the 2024 reassessment millage rate for the **Thibodaux-General Alimony (5066001)** taxing districts. Though your district received an increase in taxable assessed value from 2023 to 2024, many in Lafourche Parish received a decrease, whereby mandating the millage rates to increase. This decrease in taxable assessed value is attributed to a reduction of value in aircraft, drilling rigs, oil & gas and watercraft, which makes up for the majority of the ad valorem tax base for Lafourche Parish. This compounded with increasing insurance premiums will have a negative impact on taxpayers; moreover parish economic growth.

I am strongly encouraging your district to **ONLY LEVY THE ABSOLUTE NECESSARY REVENUE** needed to run this district, roll back the millage rate, and to use any surplus to relieve the taxpayers of Lafourche Parish from this unprecedented burden.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Wendy L. Thibodeaux, CLA
