#### **19. Record Ownership**

If an audit was conducted (\$500,000 or more received), then the auditor’s opinion and audit findings must be listed in the transmittal.

### **KLB Beautification Grant Program: Approved Project Description – City of Thibodaux**

The project will be constructed at Eagle Park, 1531 Eagle Dr, Thibodaux, LA. Currently, Eagle Park does not have a welcome sign or any beautification. The Thibodaux Garden Club, which has approximately 140 members, has been a continuous partner with the City of Thibodaux for many beautification projects and will offer their assistance for this project. The City of Thibodaux's goal for this project is to enhance this facility with a new sign with plants as well as trees throughout the park to promote more park usage and to encourage spending more time outdoors.

All budgeted items are necessary as well as relevant to the completion of this project because these items are a standard for any beautification project done by the city. All of the items listed for plants, soil, and mulch are estimated quotes from a local nursery in the city.
