2. Nature of Request: Describe generally the zoning change requested as well as a brief explanation..

I am requesting to amend the City of Thibodaux Zoning Ordinance Article 5, Table 5.3 to add

"Group/Community Home, Small" as a "Special Exception" in R-2 zoning districts.

These types of group homes would provide six (6) or fewer adolescent with a loving environment.

The residential facility will also offer a supportive, therapeutic living environment. I own a property
in an R-2 zone, and this zoning revision would allow me to request a Special Exception in the future.

I certify that the information contained in this application and its supplements is true and correct.
