WHEREAS, **DOTD** lacks sufficient personnel and equipment to perform mowing and litter collection on a routine and continuing basis and wishes to enter into an agreement with the **Municipality** to perform maintenance directly related to mowing and litter collection on the State Roadways located within the City of Thibodaux; and

NOW, THEREFORE, it is hereby agreed between **DOTD** and **Municipality**:

ARTICLE I: Covered Roadways:

The **Municipality** shall pick up and properly dispose of all trash and debris located on the State Roadways prior to conducting mowing operations. Litter and trash collection shall precede the mowing operation by no more than 24 hours. The **Municipality** shall perform litter and debris pick-up on all grass and vegetative areas, ditches, paved roadside shoulders and areas beneath overhead bridges and roadways. All litter, trash and debris uncovered by the mowing operation shall be picked up within 48 hours of the mowing operation. All litter, trash and debris shall be collected and piled or bagged off of the travel lanes and paved shoulders of the State Roadways and must be removed from the right-of-ways by the close of business the same workday that it is collected. **Municipality** shall provide, at its own expense, all equipment necessary to perform the duties provided for in this Agreement, including but not limited to, all trash bags, mowing and trimming equipment and herbicide applicators. **Municipality** shall record and document the amount of litter collected and report these amounts to the appropriate DOTD District Engineer at the time invoices are submitted for payment.

For purposes of this Agreement, Mowable vegetation is defined as any trees, vegetation, brush, etc., that is two inches in diameter or less measured five inches above the ground. Mowing and litter removal shall be accomplished a minimum of four (4) times per year. The dates of the mowing operations shall be set forth on the Mowing Plan submitted by Municipality to Roadside Development Coordinator assigned to the **DOTD** District where the mowing operations are to take place.

Natural stands or planted stands of wildflowers shall not be cut until after seed heads have formed unless, in the opinion of **DOTD** District Administrator, the flowers are causing a traffic hazard or have a very undesirable appearance.

If, during the term of this Agreement, **DOTD** alters or makes repairs to State Roadways covered by this Agreement, **DOTD** will initiate contact with the **Municipality** to revise mowing and litter pick-up practices for the applicable State Roadway.
