## Message from the Mayor

“With spring still in the air, we tend to think of all the new life that this time of the year brings to us. Whether it’s the spring cleaning of your home, the trimming of shrubs in the yard, the planting of annuals in the flower bed or, in my case, the drudgery of keeping our pool clean; spring always brings about a sense of new beginnings.”

## QUOTE ME

“The world’s favorite season is the spring.

All things seem possible in May.”

## EMPLOYEE SPOTLIGHT

### Tammy Clark

Tax & License Department  
Sr. Tax Collections Specialist

Tammy has worked for the City of Thibodaux for 31 years. Tammy has been married to her husband, Shawn, for almost 3 years, a mother to two children (Jacob & Austin), and a grandmother to one (Amelia Jo).

When she is not at work, Tammy enjoys shooting darts in tournaments as well as getting her Avon business started.

On a typical day, Tammy bounces between various tasks, such as issuing and renewing occupational licenses, collecting property tax payments, issuing permits for various events in the City, updating office forms, and helping in other offices when help is needed.

When asked to comment what is most rewarding about her job while working for the City of Thibodaux and what makes it worthwhile, Tammy said, "The most rewarding thing about my job has to be the people I have met while working here. From co-workers, both past and present, to our customers. Each person has left their own mark with me. "

Tammy's proudest moment working for the City of Thibodaux is being able to retire at a young age. Tammy started working for the City of Thibodaux while still in high school as a COE student worker in the Finance Department. Also, she noted that her biggest achievement to date, which is a personal one, is being able to raise both of her sons. She is very proud to be their mom and looks forward to retiring, so she can spend quality time with her family.
