JANUARY CALENDAR ART - EAGLE DRIVE PARK

For years, the green space located on Eagle Drive was utilized as an outdoor recreation areas but had no improvements to promote any real activities. Therefore the City invested in new state of the art playground equipment. Soon after a new multi-purpose pavilion and restroom were added to the park. The park has now been host to many family and neighborhood celebrations along with routine recreational time for the area residents.

Message from the Mayor

“My past 12 years as Mayor has been an adventure that I will never forget. The multitudes of friendships and relationships which I have had the opportunity to nurture have been invaluable to me as Mayor and as a person.

I will never forget the many new friends I have come to meet and respect. All of these people will always be special to me.

It is my opinion that we have left the City in better shape than we found it; which after all should be every Mayor’s goal. I’m sure in future years, our new administration will do its best to accomplish that!

As I leave office, I want to also thank everyone for all of their cooperation and support. Without partners, you can’t accomplish anything. In addition my thanks to my awesome staff who have made me the best I can be.

I also want to publicly thank my wife Sheri for her support during my tenure in office. She has always been a classy First Lady for our community and is the secret to all of my success. She will be a hard act to follow!!

I won’t be in the Mayor’s Office any longer, but the City will always be first in my heart!

See ya on the golf course!”
