LA 20 and Jackson Street Overlay

Thibodaux - On Monday, March 25, 2019 roadway milling for an overlay project began along LA 20 and will move to Jackson Street later in the week. For the next couple of days, motorists travelling southbound on LA 20 can expect intermittent lane closures from 6:30 AM to approximately 6:00 PM. Once milling is completed on LA 20, the contractor will move to Jackson Street where the same intermittent lane closures are to be expected.

We apologize for the inconvenience.
